IRONWORKS

944

Fortin Ironworks is a family owned and operated ornamental iron and metal fabrication company located in Columbus, OH. Since 1946, we have specialized in high quality architectural ironwork and custom metal fabrication, working our way to become a titan of local industry, with a nationwide reach. Each of our products are hand crafted with the finest materials by our experienced artisans and fabricators, ensuring we provide customers with the signature high quality craftsmanship that has become synonymous with our brand. We have a vast array of available products that are waiting to be discovered and added to your home, property, or business. Browse this catalogue or visit our showroom to see our collection of products, and contact us to make Fortin Ironworks a part of your project today.

CUSTOM FENCE

Our selection of custom fences give a timeless look to any home or commercial space, while a secure perimeter to your space. All of our fences are hand-crafted by our highly skilled fabricators, using only the highest quality materials. To assure longevity, our fences come standard with a black powder coat finish, designed to withstand the elements. Each fence is built custom for your application, and to ensure a perfect fit, we field measure your space and provide shop drawings for approval. If desired, we also proudly offer our own installation services. Browse through our selection of styles, and get in contact with one of our estimators to discuss how to get started on your custom fence.

OPTIONS

DESIGN

With each fence being custom made for you, every fence has customization possibilities. Contact one of our estimators today to explore customization options and pricing to build a fence that is uniquely yours.

FINISH

As with many of our products, our fences come standard with a black powder coat finish. Utilizing a powder coat helps increase longevity and lower maintenance, improving the value of your custom fence.

INSTALLATION

For customers located in the Columbus area, we proudly offer our own installation services. Installation has a **\$300 minimum**, but may increase depending on the difficulty of your application.

Installation can be completed with footer posts, concrete core-drilled posts, or surface mounted base plates depending on what will best fit your application. Contact us to discuss installation options.
